

WelcomeTeenagers:

Are you concerned about someone's addiction to drugs or alcohol?

You do not have to be addicted yourself to suffer from the problems of addiction.

Addiction affects the Addict -- but it also affects family and friends close to the addict.

If you would like to talk with other people who have similar problems, there is a new group that welcomes you and other teenagers

This twelve-step group will start meeting Monday evenings in central Jerusalem. The first meeting will be in April 9, 2018.

We are a fellowship of relatives and friends of addicts who share our experience strength and hope in order to solve our common problems. You may come to a meeting whenever you like, without any other obligation. There are no dues for membership.

We have one purpose: to help families of addicts. We do this by practicing the Twelve Steps, by welcoming and giving comfort to families and friends of addicts, and by giving understanding and encouragement to the addict.
